Dear Professor Dennis:

The Landscape Architectural Accreditation Board (LAAB) at its February 7-8, 2020 meeting granted accreditation for a period of six (6) years to the course of study leading to the professional BLA degree at University of Wisconsin - Madison. This status is subject to review of an interim report to be submitted by December 1, 2021, together with annual reports and maintenance of good standing.

The interim report should provide an update on each Recommendation Affecting Accreditation (RAA) in order to demonstrate compliance, or steps towards compliance, with the respective standard. In accordance with LAAB policy, programs will be given up to two years to resolve their RAA(s). Upon receipt of the two-year Interim Report, the LAAB will accept that the RAA(s) have been addressed or, if not, the program will be given two more years to resolve the issues. A second Interim Report will be due to the LAAB on or before four years from the receipt of this Action Letter. If the RAA(s) are not successfully resolved or, in the case of longer term issues, substantial and verifiable progress has not been made at that time (after four years from this Action Letter) then the program may be moved to provisional status, it may be suspended, or in some cases the program's accreditation may be revoked.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends December 31, 2025. Accordingly, the BLA program at University of Wisconsin - Madison is next scheduled for a review during the fall of 2025.

CELA Representative

Roxi Thoren., ASLA

In making its decision, LAAB considered the program's self-evaluation report, the visiting team's report, and the program's response to the report.

Enclosed is a list of recommendations affecting accreditation (to be responded to in the interim report via the process laid out above) and an Interim Reporting template. This list was developed by LAAB from the materials reviewed during the meeting.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

SUMMARY OF RECOMMENDATIONS

Recommendations Affecting Accreditation

1. Develop a long-range strategic plan, including quantifiable measures and a process for assessing progress and updating the plan on a regular basis (Standard 1).
2. Clarify and document specific responsibilities and expectations of the BLA program chair relative to faculty evaluation and allocation of program resources (Standard 2).
3. There is an immediate and pressing need for the development of a strategic plan - including a timeline - and a comprehensive facilities program that, when implemented, will centralize and consolidate the Departmental program elements in a suitably equipped facility (Standard 7).
