# We Know Natives

Cardno JFNew Native Plant Nursery

**Native experience you can count on**  
Our detailed knowledge of native seed, plants and best practice techniques support your project success. Site evaluation and specification assistance are available. Just call us.

**Top selection of native plants, seed, and natural bioengineering**  
We specialize in providing top quality plants and seed, and more than 350 native species.  
Our vegetated mats, coir logs, live stakes, and fascinos control erosion and provide stabilization.

**Professional restoration and wetland services**  
To enhance your project outcomes, we offer contract and custom growing, custom seed collection and full wetland services: delineation, mitigation, construction, and permitting.

**Enhanced stormwater BMPs and aesthetics**  
Custom native planting and seeding mixes designed for green infrastructure projects from large stormwater basins to rain gardens and swales.

**Online catalog with expanded restoration guidelines**  
Our website also includes weekly updates on species availability and pricing.

#### THE KALAMAZOO ARTISAN FIRE PIZZA OVEN

From eighteenth-century Naples, by way of Kalamazoo, The Artisan Fire Pizza Oven replicates the heat patterns and airflow of traditional Old-World forni. Its ingenious design and gas-fired simplicity mean that Neapolitan-style pizza is never more than a few minutes away. Discover the fire within.
