

**AMERICAN SOCIETY OF  
LANDSCAPE ARCHITECTS**

***Residential Design Worksheet***

Property Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Property size: \_\_\_\_\_

*Please list all residents, gender, and ages:*

*Do you have pets that spend time outdoors?*

*Do you have a problem with puddles, poor drainage, or stormwater runoff at your home?*

*How would you like to use your landscape? (please check all that apply):*

- enhance my home's "curb appeal"
- improve my home's impact on the environment
- play area for children
- outdoor cooking
- outdoor dining
- entertaining
- sports/recreation (please specify)
- kitchen garden (herbs, vegetables, fruit trees)
- other (please specify)

*What landscape elements are you considering? (please check all that apply):*

- adding native trees and other plantings
- lighting
- shade elements

- fence
- rainwater collection system
- play equipment
- deck/patio/walkways/paths
- outdoor kitchen
- pool, pond, or other water feature
- fireplace or fire pit
- entertainment system (music, television, etc.)
- parking
- workshop/storage/toolshed
- compost/recycling/trash collection area
- other (please specify):

*How do you feel about landscape maintenance?* (please check all that apply):

- I enjoy working on my landscape, it's a hobby for me.
- I do not enjoy working on my landscape.
- I would like to reduce the amount of maintenance my landscape requires.
- I am concerned about the environmental impact of maintaining my landscape (fertilizers, pesticides, lawn mowing equipment).

*Other considerations* (homeowners' association rules, local design review board requirements, covenants, etc.):
