

PREPARING FOR LANDSCAPE ARCHITECTURE REGISTRATION

INSTRUCTOR

Randall C. Morgan, ASLA, RLA, CLARB
Randy is a practicing landscape architect and is registered in the states of Alabama and Tennessee. His primary work involves the design and implementation of complex municipal projects.

DESCRIPTION

For professionals seeking licensure, and students interested in sharpening their technical skills, a two day intensive LARE workshop will be conducted that will focus primarily on Sections C and E, the graphic portions of the exam. Historically, these two sections have the lowest first time passing rates of any other portion of the exam. Through hands-on-exercises, group discussion, and numerous practice vignettes, this workshop is designed to provide candidates with the confidence and skills necessary to pass the graphic sections of the LARE.

WHEN:

Thursday- Friday, October 21- 22, 2010
9:00am- 4:30pm

WHERE:

AU School of Architecture
104 Dudley Hall
Auburn, AL 36849

WHAT:

Preparation for Graphic Section C
Preparation for Graphic Section E

Specific information covered during the workshop includes, but will not be limited to, the following:

- Explanation of the overall rationale for the LARE.
- Insight into the LARE testing format
- Introduction to proven techniques for successful completion of Sections C & E.
- Review the basics of Grading and Drainage.
- Step-by-step instruction for completing sample graphic vignette problems.
- Identification of areas that will require further study.

WORKSHOP

REGISTRATION: DEADLINE 15 OCTOBER 2010

- \$200 Students
 - \$225 ASLA Members
 - \$250 Non ASLA Members
- (Prices include light snacks & lunch both days.)*
