Dear Professor Hoistad:

The Landscape Architectural Accreditation Board (LAAB) at its July 13-14, 2018 meeting granted accreditation for a period of six (6) years to the course of study leading to the first professional BLA degree at University of Nebraska-Lincoln. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends June 30, 2024. Accordingly, the BLA program is next scheduled for a review during the spring of 2024.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team report, and the program's response to the report.

There were no recommendations affecting accreditation.

On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,
