

AdvocacyDay App

Our AdvocacyDay app provides an interactive experience which will allow you to get the most out of your congressional visits! Our app is available in the App Store for iPhone or iPad and in the Google Play store for Android. Just search “AdvocacyDay” (all one word). You can also access a web version of the app at asla.constituentvoice.net/

Here are the app features you can take advantage of before you arrive in D.C.:

Please note that meeting schedules are currently disabled. Your schedule will be enabled in the app on Wednesday, May 1st.

- View leave-behinds: From the “More” tab, click on “Document” to view leave-behinds and other important documents. If you click on one of the documents, you can also email an electronic version of the document.
- Research your Members: From the “Legislators” tab, tap on any Member’s name to view their bio, committees, news, YouTube channel, website, and social media outlets.
- Research your bills: From the “More” tab, select the “Bills” tab to research the status of important bills and whether your legislators have cosponsored them.
- Connect with other advocates: Tap on the Directory tab at the bottom of the screen to view a list of meeting participants. Tap on an advocate’s name to send them a secure message through the app.
- View your organizations’ Twitter feed: Tap on the More tab at the bottom of the screen and tap on Twitter Feed to view your organization’s Twitter feed and post your own tweet.
