

Landscape Architecture Magazine requests

Chapters may request up to 50 copies of the magazine for public outreach purposes, such as local advocacy days, career day presentations, local trade shows and festivals, etc.

- This form must be submitted at least 60 days prior to the publication month, if you would like a specific issue. For example, if you're requesting June issues of the magazine, please let us know by April 1 so that your order may be included in the print run.
- ASLA will make every effort to provide magazines for chapter outreach. If enough notice is not given, ASLA may substitute past issues.
- Return completed form to James Taylor jtaylor@asla.org, phone number: 202.216.2345
- Unless otherwise noted, chapters are responsible for the shipping costs.
