#### Title

A bill for an act relating to professional licensing, including by providing for a review of professional licenses and allowing for preapplication qualification reviews, and providing fees. (Formerly HSB 180; See HF 752.)

**Bill Summary:** Last edited by Bradley Rawls at Mar 25, 2019, 9:47 PM  
Would instruct the state government efficiency review committee to review and analyze approximately 1/3 of all professional licenses during each two-year period in which the committee must meet. Would require the committee to make recommendations. Would allow a person seeking a professional license to petition a licensing board for a determination as to whether that person's criminal record disqualifies the person.

Bill Summary:

Last edited by Elizabeth Hebron at Feb 20, 2020, 10:10 PM  
Would establish as a three year pilot, licensing sunrise review committee. Would provide for a universal licensure process to facilitate the efficient transfer of licenses between states to help fill positions in Idaho. Would provide that a criminal conviction must be relevant to the occupation and license requested. Would remove blanket felony exclusions and old ambiguous terms regarding crimes of "moral turpitude" as disqualifiers for licensure and replaces those outdated terms with the criminal relevancy analysis under the Occupational Licensing Reform Act.

**Bill Summary:** Last edited by Elizabeth Hebron at Feb 25, 2019, 11:43 PM  
Would establish a system to investigate and review the necessity of new State regulation over a previously unregulated profession or occupation. Would provide a process to investigate what level of regulation is necessary in order to protect the public health, safety, or welfare. Would require that an applicant that proposes legislation to license a profession or occupation submit a petition for licensure on forms provided by the Department of Financial and Professional Regulation and pay a fee of \$1,000 within 30 days after introduction of the proposed professional regulation legislation. Would require the Department to prepare a report assessing the need for the proposed new licensure upon receipt of a complete petition and petition fee. Would require that the report be principally authored by persons with specified qualifications or by persons whose qualifications are substantially similar to specified qualifications. Would provide that if the General Assembly finds that it is necessary to regulate a profession or occupation, the least restrictive method of regulation may be imposed and includes a list of factors for the General Assembly to consider when making determinations.

<b>Title</b> Universal Recognition of Occupational Licenses Act; enact.			<b>Bill Summary:</b> Last edited by Bradley Rawls at Feb 20, 2020, 6:08 PM Would create the Universal Recognition of Occupational Licenses Act. Would require licensing boards to issue a license to a person who holds a current and valid occupational license or government certification in another state in a lawful occupation with a similar scope of practice, as determined by the board in this state. Would require that the person seeking licensure has held a license in another state for 1 year, among other things. Would require boards to issue an occupational license or government certification to a person upon application based on work experience in another state which does not use an occupational license or government certification to regulate a lawful occupation, but Mississippi does use an occupational license or government certification to regulate the occupation with a similar scope of practice, among other things. Would require a board to issue an occupational license or government certification to a person based on holding a private certification and work experience in another state.

Bill Summary: Last edited by Bradley Rawls at Feb 28, 2020, 3:25 PM

Would create the Universal Occupational Licensing Recognition Act. Would provide that an occupational license or certificate shall be issued, in the discipline applied for and at the same practice level as determined by the regulating entity, pursuant to this act to a person who establishes residency in this state or is married to an active duty member of the armed forces of the United States. Would provide that a regulating entity shall issue an occupational license or government certification to a person upon application based on work experience in another state, if certain criteria is met. Would recognize private certification. Would require that all state occupational or professional licenses shall be reviewed not less than once every four (4) years.
