### Bill Summary:
Last edited by Bradley Rawls at May 17, 2019, 3:03 PM

**Freedom to Work/OLB Reform.**

Would provide, among other things, that an applicant's criminal history directly related to the duties and responsibilities for the licensed occupation is the only factor that can be used to deny a license based on a criminal conviction.

Labels: Criminal Offenses, Occupational Licensing

**Military-Trained/Spouse Licensure Practices.**

Would require the state's Program Evaluation Division, in consultation with the Department of Military and Veterans Affairs, to study the extent to which the provisions of G.S. 93B-15.1 has improved the ability of military-trained applicants and military spouses to become licensed by occupational licensing boards in the State.

Labels: Military, Occupational Licensing, Reciprocity

**Regulatory Reform Act of 2019.**

Would require every occupational licensing board as defined in Chapter 93B of the General Statutes to study and report on any available options offered for online continuing education if continuing education is a requirement for licensure under the occupational licensing board's applicable laws or regulations.

Labels: Occupational Licensing, Occupational Licensing Study

**Change and eliminate provisions under the Professional Landscape Architects Act.**

Would update the state’s Professional Landscape Architects Act. Would amend the licensed scope of the profession. Would amend provisions related to the State Board of Landscape Architects.

Labels: Landscape Architecture, Occupational Licensing

**Military Training/Spouse Licensure Practices**

Would require the state's Program Evaluation Division, in consultation with the Department of Military and Veterans Affairs, to study the extent to which the provisions of G.S. 93B-15.1 has improved the ability of military-trained applicants and military spouses to become licensed by occupational licensing boards in the State.

### Concerning professional license reform.

**Primary Sponsors**
Larry Hoff

**Bill Summary:**
Would establish a sunset review process for all professional licensing requirements regulated by the department of licensing, to ensure that the rights and well-being of current and future practitioners of the profession be given full protection from unnecessary regulatory burden and that regulations meant to safeguard public health and safety are still warranted. Would require approximately twenty percent of the professional licenses regulated by the department be annually reviewed. Would put professions on a recurring 5 year review process timeline. Would provide that if education, training, or experience is a qualification in the professional license under review, a review and analysis of the hours or other amount of education, training, or experience required to ensure such requirements are as least restrictive as necessary to protect the public's health, safety, and welfare.
