Dear Professor Hill:

The Landscape Architectural Accreditation Board (LAAB) at its February 9, 2023, meeting granted accreditation for a period of six (6) years to the course of study leading to the professional MLA degree at Auburn University. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends December 31, 2028. Accordingly, the MLA program at Auburn University is next scheduled for a review during the fall of 2028.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team's report, and the program's response to the report.
