David L. Hays
Department Head and Professor
Department of Landscape Architecture
College of Fine and Applied Arts
University of Illinois at Urbana-Champaign
Champaign, IL

Dear Professor Hays:

The Landscape Architectural Accreditation Board (LAAB) at its July 30-31, 2020 meeting granted accreditation for a period of six (6) years to the course of study leading to the professional BLA degree at University of Illinois at Urbana-Champaign. This status is subject to review of an interim report to be submitted by June 1, 2022, together with annual reports and maintenance of good standing.

The interim report should provide an update on each Recommendation Affecting Accreditation (RAA) in order to demonstrate compliance, or steps towards compliance, with the respective standard. In accordance with LAAB policy, programs have up to two years to resolve their RAA(s). Upon receipt of the two-year Interim Report, the LAAB will accept that the RAA(s) have been addressed or, if not, the program will be given two more years to resolve the issues. A second Interim Report will be due to the LAAB on or before four years from the receipt of this Action Letter. If the RAA(s) are not successfully resolved or, in the case of longer term issues, substantial and verifiable progress has not been made at that time (after four years from this Action Letter) then the program may be moved to provisional status, it may be suspended, or in some cases the program’s accreditation may be revoked.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends June 30, 2026. Accordingly, the BLA program at University of Illinois at Urbana-Champaign is next scheduled for a review during the spring of 2026.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team’s report, and the program’s response to the report.

Enclosed is a list of recommendations affecting accreditation (to be responded to in the interim report via the process laid out above) and an Interim Reporting template. This list was developed by LAAB from the materials reviewed during the meeting.
On behalf of the visiting team, I would like to thank you for the hospitality extended to them by the faculty, staff, and students.

Sincerely,

Joy Lyndes, ASLA
LAAB Chair

SUMMARY OF RECOMMENDATIONS

Recommendations Affecting Accreditation

1. The department should revisit the educational goals and objectives for both the BLA and MLA programs in order to transform them to the extent possible into expected achievements that can be assessed (Standard 1).

2. The department should revisit its long-range plan to more clearly link proposed actions to the mission, goals and objectives of the two programs (Standard 1).

3. To ensure the long-term health and stability of the department, the department should work with the Dean of the College to implement an appropriate strategy for appointing Department Heads (Standard 2).

4. Staffing for the teaching and learning mission of the program should consider the long-term goals of both degree programs including content expertise and contribution to the department’s reputation for high-quality scholarly development and dissemination (Standard 5).
