Dear Professor Jones:

The Landscape Architectural Accreditation Board (LAAB) at its March 14-15, 2022, meeting granted accreditation for a period of six (6) years to the course of study leading to the professional MLA degree at University of Michigan. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends December 31, 2027. Accordingly, the MLA program at University of Michigan is next scheduled for a review during the fall of 2027.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team report, the program's response to the team report.

There were no recommendations affecting accreditation.
