Dear Professor Christensen:

The Landscape Architectural Accreditation Board (LAAB) at its July 10, 2023, meeting granted accreditation for a period of six (6) years to the course of study leading to the professional BLA degree at Utah State University. This status is subject to review of annual reports and maintenance of good standing.

Accreditation is awarded on a time-certain basis. The six-year period of accreditation ends June 30, 2029. Accordingly, the BLA program at Utah State University is next scheduled for a review during the spring of 2029.

In making its decision, LAAB considered the program's self-evaluation report, the visiting team's report, and the program's response to the report.
