SAT-A01 Inside the LA Studio with PWP Landscape Architecture

PWP Presenters
Peter Walker, FASLA    Chris Dimond, FASLA
David Walker          Jay Swaintek, ASLA
Adam Greenspan, ASLA  Conard Lindgren, ASLA
Sandy Harris          Julie Canter, ASLA
Moderator             James Burnett, FASLA

Learning Objectives

1. Hear how the firm is organized and dedicated to achieve the highest level of design and construction quality, and sustain a passion for the craft of landscape architecture.
2. Learn how the firm approaches design on structures, environmental sustainability, and creating memorable places in the most challenging urban environments.
3. Hear how to establish great collaborative, multi-disciplinary relationships while maintaining the landscape architect as an equal or lead design partner.
4. Understand the lessons learned and successes of working internationally on high profile and high expectation design projects.
