## White Paper Contributors Needed

**Help shape ASLA's [Advocacy](#) Agenda.** Roxanne Blackwell, ASLA's Director of Federal Government Affairs, has asked for our assistance to help shape ASLA's 2017 Advocacy Agenda. Transportation consistently ranks as a top advocacy priority when ASLA has surveyed its members. She has asked Transportation PPN members to assist with developing white papers on these topics:

- Vision Zero,
- Autonomous Vehicles,
- and Climate Resiliency.

Please contact Alexandra Hay at [ahay@asla.org](mailto:ahay@asla.org) to get involved.
