Professional Practice Network Update

Sent on behalf of Allysha Lorber and Lucy Joyce, Transportation PPN Co-Chairs, and Jean Senechal Biggs, PPN Officer & Communications Coordinator

PPN Live in Los Angeles - Network. Learn. Have fun!

October 20-23, 2017 | Los Angeles, CA

The [ASLA Annual Meeting and EXPO](#) is *the* place to connect with your PPN peers in person. If you're coming to Los Angeles, please join us for any or all of our events on the EXPO floor on Sunday, October 22:

Transportation PPN Meeting

Sunday, October 22 | 9:15 – 10:00 AM

Location: Grand Park Meeting Room (PPN Live on the EXPO floor)

The Transportation PPN Leadership Team will share updates on our work and highlight opportunities for you to share your expertise and expand your network through ASLA. In addition, Roxanne Blackwell, ASLA's Director of Federal Government Affairs, will present the latest news on [federal transportation legislation and advocacy](#) and Wendy Miller, FASLA, Vice President of Professional Practice, will share updates from ASLA's Autonomous Vehicles and Planning Subcommittee.

EXPO Reception featuring the PPNs

Sunday, October 22 | 4:30 – 6:00 PM

Location: EXPO floor

Network with your peers at the [EXPO Reception featuring the PPNs](#). Join fellow PPN members in person to make connections with friends and colleagues and discuss how they are contributing to the landscape architecture profession. It's free for all registered annual meeting attendees, and non-PPN members are welcome to attend. Be sure to stop by to get your PPN pin!

The [SCANTrivia™](#) prize drawing will also occur 5:30 – 6:00 PM during the reception. Must be present to win!

Learn from your peers at Annual Meeting education sessions

Want to focus your time at the Annual Meeting on transportation topics? We've gathered a list of [education sessions](#) in the Transportation / Intermodality / Complete Streets category to point you in the right direction (see below). In addition, 14 Transportation PPN members will be speaking, moderating sessions, and leading field sessions on a wide variety of topics.

PPN

Transportation

Professional Practice Network Update

If you can't make it to Los Angeles this year, several of these sessions will be recorded and made into [Online Learning webinars](#) so you can still learn about the latest in transportation and landscape architecture and earn some professional development hours. Look for our lists below and attend these sessions to show your support!

Join our Leadership Team: Become our Co-Chair!

Our PPN has over 540 members with representatives from across the country in public, private, and academic sectors. Allysha Lorber has graciously served as our Co-Chair for two years; her term is now coming to an end and we're looking to find a new Co-Chair to serve a two-year term beginning in October. Lucy Joyce's term continues for one more year and can help guide the transition.

Are you passionate about transportation and want to shape the [Transportation PPN's](#) direction? Want to increase your participation and expand your professional network? Want to ensure ASLA's [Online Learning](#) sessions and [The Field](#) include transportation topics? Let us know and we'll tell you more about the responsibilities that come with serving as Co-Chair. **Please contact Alexandra Hay, Professional Practice Coordinator at ASLA, at ahay@asla.org, if interested.**

Our quarterly emails share relevant opportunities, events, and other information with our members. If you hear of any additional information you'd like to share with the PPN, please send it to Alexandra Hay at ahay@asla.org so that it can be included in the next email.

Feel free to contact us with any questions, comments or suggestions.

We hope to see you in Los Angeles!

Best,

Allysha Lorber, ASLA, and Lucy Joyce, ASLA
Co-Chairs of the Transportation PPN

PPN EXPO Tours

1.0 PDH LA CES / HSW

Saturday, October 21 and Sunday, October 22

Location: PPN Live on the EXPO floor

The [PPN EXPO Tours](#) at the Annual Meeting highlight new and improved techniques, and how these improvements and services can assist in creating a successful design project. Participants will earn one professional development hour (PDH) for each tour, and must participate for the duration of the tour to receive PDH. Tour sign-up and departure will take place at PPN Live. Available to the first 30 participants to sign up.
