Job Title: Entry/Mid-Level Landscape Architects/Designers

Location: Charleston, SC

Job Description:

We are seeking creative, enthusiastic candidates for entry/mid-level landscape architect/designer positions. Responsibilities include assisting the design team with master planning, conceptual site design, graphic representation, construction documentation and construction administration. Project Management may apply to mid-level applicants.

The candidate should be passionate about design, with strong graphic and written communication skills. Proficiency in Adobe Creative Suite, AutoCAD and SketchUp is required. The ability to present ideas through hand-graphics and verbally, as well as experience with LandFX, is preferred.

Education, Skills, and Experience Required:

Successful candidates must be authorized to work in the United States and have a professional design degree from an accredited institution.

Instructions Regarding How to Apply:

For more information on our firm, please visit www.designworkslc.com. Interested applicants for this position should email resume, cover letter and portfolio to Alison Schmidt, alison.schmidt@dwlc.com.

NO office visits or phone calls please.
