

Landscape Designer ~ Entry Level (0 – 3 yrs)
IMA DESIGN GROUP

ima, with offices in Newport Beach, Oakland, Beijing and Dubai, has built an international portfolio of landscape architecture designs for public and private clients. We have built our business on pushing the boundaries to create the right solution. We thrive in collaboration and believe that the right design is a balance between vision and reality. We strive to find this balance in a design that can transcend the value for our client to enhance the community experience.

ima has a rich history of implementing sustainable development solutions in all facets of our landscape architecture and urban design projects. We have worked extensively with community stakeholders as well as government agencies in achieving the common goal for a sustainable community. Our design solutions are predicated upon our belief that sustainability should be an inherent part of any development.

We are looking for individuals for our Southern & Northern California offices with the following attributes:

- Initiative
- Leadership skills
- Organization & time management
- Desire to learn & excel
- Strong sense of design
- Excellent communication skills

Skills Required:

- Ability to develop and present design solutions
- Broad technical knowledge
- Excellent hand & computer graphic skills
- Proficient in AutoCad, Adobe Creative Suite & SketchUp (identify proficiency level)
- Working knowledge of Lumion and/or Rhino highly desirable

Bachelor Degree in Landscape Architecture from an accredited university required.

We offer an excellent compensation package as well as great opportunities for professional growth.
