

**Title:** LeBlanc Jones Landscape Architects is seeking an Experienced Landscape Architect

**City:** Boston

**State:** Massachusetts

**Zip Code:** 02118

**Country:** UNITED STATES

**Category:** Landscape Architects

**Years of Experience:** 4-6 Years

**Description:**

Salary offers will be commensurate with abilities and experience. Excellent benefits offered, including medical, dental and 401K.

Landscape Architect; 4-6 years of experience required.

LeBlanc Jones Landscape Architects ([www.leblancjones.com](http://www.leblancjones.com)) is a Boston-based, nationally recognized Landscape Architecture firm that specializes in private residential and commercial design projects throughout the country.

**Skills Required:**

Landscape Architect:

We are seeking a creative designer with an exceptional ability to communicate and represent design ideas. Experience in the design of green roofs, streetscapes, and plazas preferred. Primary responsibilities of this role will include project management, developing and resolving design concepts, preparing construction documents, and construction observation. Qualified applicants will have a proven ability to prioritize responsibilities and multi-task in a fast paced environment. Comprehensive experience with AutoCAD, Photoshop, Adobe Creative Suite, Sketch Up, and Microsoft Office software are required. LEED accreditation is a plus.

**Education Requirements:**

Digital copies preferred. Email to [info@leblancjones.com](mailto:info@leblancjones.com). Send hard copies of letter of interest, resume and 8 1/2 x 11" work samples to the mailing address: c/o Serafina Daley, LeBlanc Jones Landscape Architects, Inc., 535 Albany Street, Suite 5A, Boston, MA 02118

No calls, please.
