

JENNIFER HORN LANDSCAPE ARCHITECTURE

2221 S. Clark Street, Arlington VA 22202 jenniferghorn.com

Jennifer Horn Landscape Architecture (JHLA), a boutique residential landscape architecture firm, is seeking talented designers for employment.

JHLA projects are primarily high-end residential, ranging from intensely detailed town gardens in Washington DC to larger properties in MD, VA and beyond.

The ideal candidate will have minimum three-year's experience and have the interest and skills to mature into a position of Project Manager.

JHLA's office is highly collaborative and designers with vision and initiative are highly desirable. Excellent writing skills and an attention to detail are required. Candidates should have a passion for horticulture and an appreciation of residential design.

Candidates must have a BLA or MLA and proven work experience in a landscape architecture firm. Responsibilities will include:

- Drafting AutoCAD drawings (concept through construction documents).
- Preparing presentation materials such as Photoshop renderings, InDesign documents, etc.
- Communicating with clients and associated team members via minutes, emails, etc.
- Sketching and drawing by hand as needed.
- Conducting site visits for documentation and construction administration.

JHLA's office is in Crystal City, Arlington. Salary is commensurate with experience. Benefits include insurance stipend; SEP-IRA; paid vacation/holiday/sick leave; bonuses based on merit.

Candidates should send a sample of work and cover letter to info@jenniferghorn.com. No phone calls. Valid driver's license required.
