

Campus Planning at the University of Oregon is searching for a dynamic individual to join our team as the Landscape Planning Associate. This position provides leadership, expertise, and advocacy for the university's open-space framework, landscape and site design, and landscape history. This position reports to the Campus Planning Manager and performs staff duties related to the oversight of landscape planning, policy, and design elements of the Campus Plan. Responsibilities include interpreting and implementing Campus Plan policies, providing education and guidance to capital project design teams, authoring documents, communicating with a wide range of constituents, and managing planning projects and studies.
