## Positions: Project Designer

Location: New York, NY and Cambridge, MA

### Experience Required:

2 to 5 years of experience in a professional office

### Education Requirements:

MLA, BLA, March, BArch from an accredited program

### Job Description:

Hargreaves Associates has been awarded several significant urban park commissions in Philadelphia, PA, Phoenix, AZ, Wilmington NC and Dallas, TX and is looking for motivated, fun, creative people who love both design and implementation to help us bring to life these transformative public spaces. Positions are available in New York, NY and Cambridge, MA.

You must have a MLA, BLA, MArch or BArch, with 2 to 5 years of experience in a professional office, be able to work between Photoshop, Illustrator, InDesign, Rhino and AutoCAD and any experience with Civil3D, V-ray or Revit is a bonus.

Email your application to [hargreavesinfo@hargreaves.com](mailto:hargreavesinfo@hargreaves.com) with

- location preference
- cover letter
- portfolio/work samples (under 10Mb)
- **'Project Designer 2-5 years - (location preference)'** in the subject line.

Applications **without resume AND portfolio** will not be considered. No phone calls please.
