

**Title:** Landscape Designer Position

**City:** Taft

**State:** Texas

**Zip Code:** 78390

**Category:** Designer

**Experience:** Entry Level (0-3 years)

**Description:** McNamee Landscapes is a landscape construction company that designs and builds projects around the entire Corpus Christi bay area. We are seeking an Entry Level Landscape Designer with 0-3 years of experience to join our expanding team. Founded over 30 years ago, McNamee specializes in custom residential and commercial projects. We enjoy creating unique residential outdoor environments, as well as sustainable, commercial, large-scale projects. We believe there is no greater importance than a creative, well thought-out, sustainable design. We are recognized not only for our design services, but also for our quality construction and ethical practices. For more information about our company, please visit [www.mcnameelandscapesandnursery.com](http://www.mcnameelandscapesandnursery.com).

**Skills Required:** **Successful Entry Level Candidates** will demonstrate a superior level of design skills and creativity. Candidates must be detailed-oriented, and adaptable to changing deadlines and priorities. The successful candidate must be self-motivated, but also be able to take direction from the owner, and or landscape architect. Being a part of a small design team will require candidates to demonstrate multitasking abilities, and an efficient use of their time to allow them to take on different responsibilities. Duties include, but are not limited to, the design and construction process, take-offs, estimating, customer relationships, product research, as well as providing direction in the field to installers. This is a full-time position, and compensation will be determined based on the qualifications of the candidate. For consideration, please email a cover letter, resume, and a pdf copy of your design portfolio. **No phone calls please!**

**Skills Required:**

- 0-3 years of professional experience
- Proficiency with AutoCAD, SketchUp, Microsoft Office, and horticultural knowledge of South Texas plants is preferred.
- Working knowledge of Adobe Creative Suite, and quality hand graphics is a plus.
- Strong oral, written, and graphic communication skills.
- Excellent time-management and organizational skills.
- Ability to self-edit work and achieve a high level of accuracy.
- **Positive and friendly attitude is a must!**

**Education:** **Education Requirements:** BLA or MLA from an accredited Landscape Architecture program.
