

Architect IV (Landscape Architect)

Description

The City of Norfolk's Department of Recreation, Parks and Open Space is seeking an Architect IV. The Architect IV will be responsible for the general administration of the Landscape Architecture Division of Parks and Urban Forestry and providing oversight for the department's Capital Improvement Program budget, strategic planning, community engagement, the refresh, rehabilitation and replacement of facilities at existing recreation and community centers, pools, playgrounds, and parks as well as construction of new facilities. Additionally, this position plays a key role in the citywide site-plan development process.

Requirements

- Valid Driver's License.
- Certified Architect of the Commonwealth of Virginia or State Certification Landscape Architect.
- Seven years' experience, including supervision and management.
