Job Description

Christner has an immediate opening for a full-time Landscape Architect/Landscape Architectural Designer. We are looking for a talented designer and success-oriented professional with the drive to work in a design environment that fosters collaborative design among our in-house disciplines. Requirements for the position are:

- Design passion, experience and leadership with digital graphic ability to communicate design thinking
 - Ability to design, produce and direct projects from concepts to construction documents
 - Knowledge of AutoCAD (Civil 3D and Revit are a plus)
 - Project experience in the areas of master planning, campus planning, urban design, hardscape design and landscape design
 - Strong manual and digital graphic skills are desired
- Entry-level to 5 years of experience

Salary and Benefits:

Christner is an equal opportunity employer. We offer competitive salary and an excellent benefits package. Compensation is dependent on qualifications.

Education Requirements:

Bachelor's or Master's degree in Landscape Architecture or Urban Planning. Professional registration preferred but not required.

Job contact information:

Contact Laurel Harrington, Director of Landscape Architecture with any questions about the position (314) 561-4445. Please email or mail a resume and examples of your work to laurel.harrington@christnerinc.com
