Lee and Associates, Inc (l'ai) is seeking an entry level landscape architect/designer (0-3 years). Our studio in Washington, DC is comprised of landscape architects, planners, and urban designers- dedicated individuals engaged in the continuing process of creating environments that improve the quality of life. We share a commitment to ensure our designs recognize the multitude of uses that can co-exist, as people live, work, play, and celebrate in the natural world.

We are looking for candidates with strong design and graphic production skills—with an attention to detail, strong time-management skills, and an eagerness to learn. We hope to find designers who will share our firm's enthusiasm for our projects and services, promote a positive work atmosphere, and bring their own creative ideas and energy to the studio.

l'ai offers a competitive salary commensurate with experience and an excellent benefits package. We are an Equal Opportunity Employer and find the diversity of our studio strengthens our work. We consider all applicants regardless of age, race, color, religion, creed, national origin, citizenship status, gender, disability, genetic information, sexual orientation.

Send resume, cover letter and samples of design work in single PDF (maximum of 6MB) to [bshon@leeandassociatesinc.com](mailto:bshon@leeandassociatesinc.com) No calls or links to websites please.
