

Entry-Level Landscape Designer

Stephen Stimson Associates is currently looking for a highly motivated entry-level landscape designer to join our studio. Candidates must have 1-2 years' work experience in a landscape architecture studio and be able to work both independently and within a team. The candidate must be proficient in AutoCAD, Adobe Creative Suite, Sketch Up, Rhino, and Microsoft Office, as well as possess excellent visual, written and verbal communication abilities. Ease with free hand drawing and sketching is highly preferred. Beyond the basic skill set, we are looking for a well-rounded and creative person that will become an integral member of our talented team.

Stephen Stimson Associates offers competitive salaries based on experience, with a comprehensive benefits package. For more information about SSA please visit:
