

## **Irrigation Designer**

**RLA** is an established, solution-oriented landscape architecture design firm with a wide variety of project types. Our current workload includes office, industrial, hospitality, retail, education and housing. Our office, with a staff of fourteen people, is located in Irvine, California near Irvine Spectrum.

We are looking for a motivated and enthusiastic person with 2+ years of experience in comprehensive irrigation design. The ideal candidate will have experience working with a landscape architecture, landscape construction or irrigation design firm.

Candidates should possess an undergraduate degree and have a strong background using CAD in the design and production of irrigation plans for a wide variety of projects. Field observation experience is a plus but not a requirement.

We are offering a full-time position, with a compensation package that includes vacation and paid holidays, health, life and dental insurance, and a 401(k) / Profit Sharing plan. For further information on RLA, please visit our website at: [www.ridgela.com](http://www.ridgela.com). Please submit cover letter, resume and portfolio to [cathleen@ridgela.com](mailto:cathleen@ridgela.com).
