

## LANDSCAPE DESIGNER/URBAN PLANNER FULL TIME - DENVER OFFICE (2-4 YEARS and 5-7 YEARS OF EXPERIENCE)

**Location:** 1523 15<sup>th</sup> Street, Suite 200, Denver, Colorado. We are two blocks from Denver Union Station and one block off the Cherry Creek bike trail in a historic warehouse in Lower Downtown.

### **Description:**

Dig Studio is an award-winning Landscape Architecture, Planning and Urban Design firm located in Denver and Phoenix with 18 staff members. Our Denver office of 13 people is seeking two highly qualified candidates with 2-4 and 5-7 years of experience working under a licensed Landscape Architect to join our talented team. Candidates should be passionate about our profession, self-motivated, hard-working and enthusiastic and display strong creative skills, adaptability for different project types and work well in an energetic and collaborative environment. Candidates should have experience taking responsibility on projects to provide high quality, clever, client focused design and planning solutions. Experience in a variety of project scales and types are desired. Excellence using 3d tools to design (SketchUp, Rhino) and ability to quickly produce illustrative plan and perspective renderings (Photoshop, Illustrator) is preferred. Candidate should be AutoCAD proficient and be adept at helping to create Construction Document packages.

To learn more about Dig Studio (a woman-owned, small business), visit our website at [www.digstudio.com](http://www.digstudio.com)

### **Responsibilities:**

- Participate in project teams and collaborate with consultants and internal team
- Prepare construction document sets, including construction details, layout, grading and planting plans
- Produce visual project graphics such as 3D Models, Diagrams, and Renderings

### **Qualifications:**

- Experience and interest in a variety of project scales and types
- Thorough understanding of construction details and construction document packages
- Excellent organization skills
- Willingness to explore multiple ideas

### **Education Requirements:**

Bachelor's or Master's Degree in Landscape Architecture or Urban Planning from an accredited College or University.

### **Technical Skills & Program Knowledge:**

Required:

AutoCAD	Adobe Creative Suite
SketchUp	Microsoft Office
Google Earth Pro	Hand Graphics

Preferred:

Rhino	Land FX
Vray	Grasshopper
Revit	Ajera

### **Submissions:**

Qualified candidates should email your resume and portfolio to [design@digstudio.com](mailto:design@digstudio.com) and reference 'Landscape Designer Denver 2-4 years' OR 'Landscape Designer/Architect Denver 5-7 years' in the subject line.

All candidates, please include at least one work reference contact in your resume.

5-7 year candidates, please submit at least one example project that you managed.
