

Landscape Architect

Years of Experience: 4-6

RLA is an established, solution-oriented landscape architecture design firm with a wide variety of project types. Our current workload includes office, industrial, hospitality, retail, education and housing. Our office, with a staff of fourteen people, is located in Irvine, California near Irvine Spectrum.

We are looking for a landscape architect who is creative, motivated and enthusiastic to join our team. The position provides an opportunity to work on projects from conceptual design through project construction. Candidates should be self-motivated, highly organized and possess good communication skills with strength in design, graphics, project management, and construction document preparation as well as the ability to manage multiple priorities. Technical knowledge and experience in production of construction documents including: site details, materials selection, grading and planting. Project management experience is a plus.

Candidates should possess an undergraduate or graduate degree in Landscape Architecture and a minimum of 4 years' experience in a landscape architecture office. The position requires a good knowledge of California plant material and landscape construction. Proficiency in AutoCAD is required as well as a basic knowledge of Sketch-Up, Adobe Photoshop and Illustrator, and MSOffice programs.

We are offering a full-time position, with a compensation package that includes vacation and paid holidays, health, life and dental insurance, and a 401(k) / Profit Sharing plan.
