

## **TESKA ASSOCIATES - ASSOCIATE LANDSCAPE ARCHITECT POSITION**

**We are looking for a talented associate level Landscape Architect candidate to join our firm located in downtown Evanston, IL.. Our studio assignments focus on master planning, site planning, urban design, streetscape design, landscape architecture, planting design, and community outreach. This position includes collaboration with our landscape architect design staff to produce high quality plans and graphics. Requirements include a bachelors or masters degree from an accredited landscape architecture program; exemplary graphic and technical skills; a positive work ethic and ability to work enthusiastically in an innovative design studio environment. Required skills include: Illustrative Drawings (Adobe Creative Suite), Construction Documentation (AutoCAD), and 3D Modeling (SketchUp). Desirable skills include: Video and Animation Graphics (Adobe Premiere Pro and Adobe After Effects). Ability to hand sketch is a plus but not essential.**

**This is a full time position with competitive salary and benefits.**

**If you possess these qualifications and are interested please email resume, cover letter and portfolio or selection of work samples as a single PDF less than 8 MB to: [NPatera@teskaassociates.com](mailto:NPatera@teskaassociates.com) Please include the following in the subject line: "Associate Landscape Architect Position Application."**
