### JOB TITLE

Landscape Architect/ Designer

### LOCATION

Phil Graham Landscape Architecture  
535 Central Avenue  
St. Petersburg, FL 33701

### POSITION

Long established, award-winning, landscape architecture, planning and urban design firm located on the West Coast of Florida seeks landscape architect/ landscape designer for immediate full-time position working within a wide spectrum of markets throughout the state of Florida that include cultural and higher education institutions; hospitality and resort; healthcare facilities and life-care communities; planned residential communities, homes and estates; urban and coastal towers with amenity platform; mixed-use entertainment and lifestyle destinations; and government streetscapes, roadways, recreational parks and facilities.

### QUALIFICATIONS

- Landscape Architecture degree from an accredited institution within the United States, or, at least 7 years experience working full-time as a landscape designer using AutoCAD
- Maintaining a full-time position in the landscape design industry within the last 12 months
- Advanced proficiency with AutoCAD (version 2015 and higher); Experience with Land F/X (preferred but not required); Advanced proficiency with Adobe Photoshop and Acrobat (Illustrator and InDesign preferred but not required); SketchUp skills desired; other illustrative graphics applications experience is appreciated
- Visa sponsorship is not currently available for this position

## DUTIES

- Manage small to mid-size projects
- Collaboration with landscape design team
- Site inventory and discovery; assimilation of data; research pertinent land development codes
- Production of schematic design, illustrative graphics, digital presentations, multi-page printed exhibits and technical documentation for construction
- Develop materials palettes and written specifications for hardscape, lighting, landscape and irrigation
- Prepare bid documents for responses by qualified Bidders
- Participate in observation and related tasks during construction
- Prepare punch lists and site reports
- Complete project close out and as-built record drawings
- Coordinate projects with internal team, outside design consultants and contractors

## ADVANCEMENT

Career-driven landscape architects and designers are provided project management and team leader opportunities with competitive salaries and generous paid time off.

## APPLICANTS

Please submit your resume via email to [hr@philgrahamla.com](mailto:hr@philgrahamla.com) to be considered for an interview.

## ABOUT US

Phil Graham Landscape Architecture has completed over 4,000 projects since 1967 in new construction and improvements for cultural and higher education institutions, resorts, hotels, hospitals, assisted living facilities, municipal facilities, public roadways, urban streetscapes, public art integration, neighborhood parks and urban commons, lifestyle retail destinations, planned residential communities, detached residential, mixed-use towers and amenity levels, thematic environments and coastal pedestrian systems. Professional services are diverse; projects are multifaceted, emphasizing thoughtful and innovative solutions to complex design challenges.
