

Junior Landscape Architect

Andrea Cochran Landscape Architecture is seeking an energetic and focused Junior Landscape Designer with excellent AutoCAD skills for our San Francisco design studio. Our award-winning landscape architecture practice works regionally, nationally, and globally, and the ideal candidate will be able to dive in on day one!

Unfortunately, we are not able to provide visa sponsorship for this position.

Required qualifications

- Bachelor or Master of Landscape Architecture or Architecture
- 1+ year(s) full-time experience in a landscape architecture or architecture firm
- Excellent AutoCAD skills—prove it with your portfolio
- Proficient in Adobe CS (Acrobat, Illustrator, InDesign, and Photoshop), Microsoft Office Suite, SketchUp, and/or Rhino
- Experience with REVIT or Autodesk 3Ds Max is desirable

Portfolio

Send your resume via email with the subject line “ACLA Junior Landscape Architect” to jrlandscapearchitect@gmail.com—**NO PHONE CALLS**.

For your portfolio, attach a PDF (no more than 4MB) with examples of your most relevant work—please include a range of documents that showcases your technical skill in addition to your design aesthetic. CAD drawings are just as important as hand sketches!

If the file is larger than 4MB, provide a link to download your work and make sure that it is not password-protected.

Please note that we receive a high volume of applications and will not be able to respond to each applicant individually.

About us

Andrea Cochran Landscape Architecture is located in the sunny, creative Dogpatch neighborhood of San Francisco. We are an equal opportunity employer and offer competitive benefits, including health/vision/dental, a flexible spending plan, commuter benefits, professional development opportunities, and 401k matching.
