

Landscape Architect / Project Manager
Rivers & Associates, Inc.
Posted: September, 2017

Rivers & Associates, Inc. (Rivers) is a versatile and creative multi-disciplinary firm headquartered in Uptown Greenville, NC. For 99 years our firm has proudly served Eastern North Carolina providing design services for institutional, industrial, and commercial clients; local, state and federal governments; and private land developers.

Rivers is seeking a talented registered Landscape Architect with 5-10 years of experience to manage small to large-sized projects in our Greenville, NC Office. Successful candidates should possess a good work ethic, strong design and project management skills, effective client communication experience, be highly motivated and excel in a collaborative work environment with civil engineers, planners and surveyors. He or she should be able to investigate and propose solutions in all phases of the planning and design process.

LA / PM Position Qualifications:

- Minimum 5-10 years of experience as a licensed professional (RLA)
- Bachelor's and/or Master's Degree in Landscape Architecture from an accredited university.
- LEED Accredited Professional (LEED AP), with specialty preferred.
- Demonstrated successful leadership / management experience.
- Project management training preferred.
- Experience in site design including grading, hardscape, planting and construction documentation required.
- Advanced understanding of planning, programming and design principles and methods.
- Excellent interpersonal and communication skills, effective client relationship skills and capabilities to work with diverse teams of designers.
- Ability to collaborate with and direct/coordinate work efforts of others in a team environment.
- Proficiency in Adobe Creative Suite, AutoCAD, Sketchup and Microsoft Office Suite.

Providing a work portfolio is required for consideration. To apply, email resume and desired supplemental documents to: raicareers2016@gmail.com
