

Landscape Architect (Entry Level) | Charlotte

LandDesign is seeking an entry level Landscape Architect to join the Charlotte, NC office and become a part of a creative and collaborative team as our firm continues to grow and create places that matter.

LandDesign offers award-winning urban design, planning, branding, civil engineering, and landscape architecture solutions to public and private sector clients across the globe. With offices across the United States, the LandDesign team effectively brings innovative, buildable, sustainable, and ecologically responsible projects to life worldwide.

Educational Requirements:

- Bachelor's or Master's Degree in Landscape Architecture

Technical Requirements:

- AutoCAD, Adobe Suite and SketchUp experience is required.

Professional Requirements:

- Strong co-op or internship a plus. In order to be considered for this position we need to see your work.

For an opportunity to join a progressive company with expert designers dedicated to creating sustainable, livable places, please send a cover letter, resume and provide a design portfolio which presents your range of skills and project experience via our website: www.landdesign.com/careers

LandDesign offers a competitive compensation and benefits package including medical, dental, life, 401(k) and other great benefits.
