

LANDSCAPE ARCHITECT/DESIGNER

Locations: Peoria, IL, Chicago, IL, Milwaukee, WI

TERRA Engineering is looking for self-motivated and creative Landscape Architects and Designers who have a desire to continue to learn and grow within the profession! We are a team of creative problem solvers blending the science and performance of engineering with the aesthetics of landscape architecture. We approach our work from a foundation of comprehensive expertise and resources, allowing our diverse disciplines to collaborate and create innovative, site-specific design solutions that balance aesthetics with function.

Depending on experience, the typical responsibilities of these roles may include:

- Develop site and landscape plans and specifications for parks, open space, mixed use urban development, streetscapes, campuses, municipal centers, residential and commercial development, rooftop gardens, and green infrastructure solutions.
- Commit to sustainable design and performance based landscapes.
- Create presentation graphics including both hand and computer-generated plan/perspective/section illustrations.
- Work collaboratively in a team-oriented environment.
- Experience in construction administration/observation.
- Compile and analyze data on conditions, such as location, drainage, and location of structures for environmental reports and landscaping plans.
- Review landscape drawings and designs to ensure adherence to established specifications and standards.
- Proficient with planting design and knowledge of midwestern plant materials and techniques.
- A passion for great design and detail.

Qualifications:

- Bachelors or Masters degree in Landscape Architecture
- 2+ years of experience in Landscape Architecture
- Professional registration or in the process of obtaining registration
- Competency with relevant software such as Microsoft Office, Adobe Creative Suite, AutoCAD, Sketch-Up, and Civil 3-D
- Experience with M-Color, V-Ray, and 3D Studio is a plus
- Ability to effectively manage multiple tasks accurately and efficiently
- Effective problem solving and decision-making ability

TERRA offers competitive salary, medical insurance, dental insurance, flexible spending plan, 401(k), paid holidays, Paid Time Off, and public transportation reimbursement.

Qualified candidates should email their resume and cover letter to: careers@terraengineering.com.
