

Landscape Architect – The Lakota Group, Inc.

Posted 09/11/2017: Chicago, IL

Experience required: 3-5 years

The Lakota Group is a progressive, award-winning Planning, Urban Design, Landscape Architecture, and Historic Preservation firm. We specialize in land use and master planning, downtown and main street planning, landscape/streetscape design, park/open space design and wayfinding/signage programs. Our projects include the full spectrum of land uses for public and private sector clients.

We are seeking a Landscape Architect/ Designer with 3-5 years of professional work experience. All candidates should be highly creative self-starters with a passion for the profession and the desire to learn and grow into the business at all levels. Must have superior design and graphic skills, be able to meet aggressive project deadlines, work well in a team setting and be a strategic thinker. Applicants must possess the ability to articulate concepts both graphically and verbally.

Candidates must be proficient in CAD software, GIS, Adobe Creative Suite and SketchUp. Experience in site-design and planting plans, and with the preparation of construction documents for commercial, institutional and residential markets is a plus. A great sense of humor is essential.

Lakota offers an enjoyable work environment and a comprehensive benefits package.

Education Requirements: Minimum - Bachelor's degree in Landscape Architecture or related field from an accredited program
