

PLANNER

DTJ DESIGN (DTJ), an international award-winning multi-discipline design firm, has an excellent opportunity in our Boulder planning studio! DTJ has a diverse portfolio of high quality projects on a variety of scales and around the globe including; community development, clubs & amenities, resorts, themed entertainment and a variety of residential housing. DTJ provides an ideal atmosphere for designers to excel within a collaborative environment. We value our designers' ideas and focus on their professional and personal growth on great projects. DTJ is a high energy office that values a "work hard/play hard" environment.

We are seeking candidates with 5 to 7 years of experience who brings passion, artistry and creativity to our design firm.

Qualified designers should have the following attributes:

- Community Design, Visioning and Site-specific Planning experience including residential, mixed-use and/or resort environments
- Exceptional graphic and layout skills for Community Vision Packages
- Excellent hand and/or computer graphics with proven skills in AutoCAD and Adobe Suite
- Strong site planning and grading skills with an ability to understand architecture and site integration on steep terrain
- Understanding of community and site planning standards, submittal and entitlement processes
- Sketch-Up, Site Modeling and Rendering skills are a plus

If you're passionate about creating "great places" and looking for a growth position in a dynamic, high-energy, integrated design firm, please submit a resume and portfolio to:
