

Title: Landscape Construction Manager
City: Dallas
State: Texas
Zip Code: 75204
Years of Exp: 3 – 5 Years

Description: Armstrong Berger Landscape Architects has an immediate opening for a Landscape Construction Manager position in Dallas. Candidate must be thoroughly familiar with and able to perform all aspects of landscape, hardscape and irrigation construction for estate residential properties including subsurface utilities, grading, drainage, concrete, masonry, stone, pools, sport courts, fencing and outdoor lighting. Directly oversees subcontractors in the installation of the project on a daily basis while communicating with clients, suppliers, and project architects to ensure the project is installed with the integrity of the design, on schedule and within budgets.

Responsibilities: Obtain subcontractor bids, establish client budgets, task planning and scheduling, material selections and placement, approval of invoices, analyzing budget variances, preparing billings to client, final project close outs and warranties.

Qualifications: Minimum of 3 years' experience in landscape and hardscape construction, must be able to read plans and specifications, perform take offs, able to represent the company in a courteous and professional manner, strong work ethic, ability to prioritize and multi-task in a fast paced environment, and familiarity with construction management software. A background in landscape architecture and bilingual in Spanish a plus.

Company Info: Armstrong Berger is a Dallas based firm practicing landscape architecture since 1976, with a strong design presence established in the Southwest, Northeast and Caribbean with the majority of projects in estate residential. In addition to design services, we offer complete construction management and administration services for our clients. Our concern for a high quality of design has established a record of excellence and long-term client relationships which we are proud.

Salary: Salary and benefits commensurate with abilities and experience.
