

The City of Santa Monica is seeking well-qualified applicants with demonstrated experience in project management and urban planning to join the Community & Cultural Services department as a Senior Park Planner. This is a great opportunity for a candidate who is driven, resourceful and self-motivated with strong presentation and public speaking skills. The Senior Park Planner will oversee a dynamic range of responsibilities including the City's Parks & Recreation Master Plan Update, capital project development and implementation, and facilitation of community outreach strategies.

Requires: Graduation from an accredited college or university with a Bachelor's degree in Urban Planning, Architecture, Landscape Architecture, Business or Public Administration or a closely related field. Three years of recent, paid work experience developing, coordinating and implementing community oriented long range master plans and/or capital improvement projects. A Master's degree in Urban Planning, Architecture, Landscape Architecture, Public Administration or a closely related field may substitute for one year of the required experience. Possession of a valid Class C driver license or the ability to utilize an alternative method of transportation when needed to carry out job-related essential functions. **Deadline: 5:30 p.m., Thursday, October 12, 2017. Apply online at <https://www.smgov.net/hr>**
