

Job Code: 17008C_LP
Job Title: Landscape Architect
Location: Charlotte, NC

Cline Design Associates, PA is an award winning multi-disciplinary design firm involved in private sector mixed use, urban housing, retail, office and recreational projects. We are seeking qualified professionals to lead Land Planning efforts in our Charlotte office.

Responsibilities would include managing, overseeing and coordination of projects to completion in various stages. Assist in marketing and business development efforts, foster client relationships, control budgets, contract proposal preparation/negotiation, designing, scheduling, coordinating and conducting client presentations, and mentoring and training team members.

Minimum qualifications:

- Bachelor and/or Master's degree in landscape architecture from an accredited program
- 7-12 years' professional experience ideally in the Charlotte area
- Excellent design and presentation skills
- Ability to coordinate and manage multiple projects and team personnel
- Proficient in Auto Cad and other graphic software
- Strong interest and experience in to marketing design services and preparing fee proposals
- Professional Licensure in North Carolina a plus

We offer a competitive salary and full benefits package.

To join our dynamic firm, qualified candidates should e-mail cover letter, resume and portfolio to: michellem@clinedesignassoc.com. Subject line for email submissions should read "17008C_LP – YOUR NAME."

No phone calls, please. Cline Design is an EOE
