

Landscape Architects/Designers

TBG is seeking Landscape Architects and Designers in our Austin, Dallas, Fort Worth and Houston offices with varying levels of experience. Successful candidates will work with a team of urban designers, landscape architects and planners to create memorable places. From iconic landmarks to the smallest details – our work tells a story. Each project is inspired by our passion for creating places that connect people and nature. Working with TBG means being an employee owner, enjoying a fun and family-like culture, and pursuing your professional growth and passions in a supportive team environment.

Successful candidates will have:

- Bachelor's degree or higher in urban design, landscape architecture or architecture
- Strong graphic skills including AutoCAD, SketchUp, Illustrator, PhotoShop and InDesign
- Experience with MS office including Word, Excel, and Powerpoint
- Experience with public and private sector organizations
- Ability to collaborate with diverse groups of people and on various teams
- Possess solid written communication skills
- Comfort in speaking in public meetings and to small groups
- Ability to think critically, communicate effectively and produce high quality work

Please send a cover letter, resume and portfolio to careers@tbgpartners.com. Learn more about TBG Partners by visiting our website at www.tbgpartners.com.
