

E L Robinson Engineering is an award-winning West Virginia based, multidisciplinary design firm with over 39 years of experience working in both the private and public sectors throughout the region. We are currently seeking a landscape architect or land planner to join our team in Charleston, WV to assist with projects primarily in West Virginia and including Kentucky and Ohio. Project types will include: streetscapes, parks, trails, city and community planning, residential and commercial development, and historic preservation.

A successful candidate will have experience working on all phases of design from conception and visioning through detailing and preparing construction documents. The candidate will also possess an excellent skill set with the following programs: AutoCAD 2014, InDesign CC, Illustrator CC, Photoshop CC, ArcMap 10.1, Google Sketch-Up, and Microsoft Office.

Job responsibilities will also include supporting the transportation and structures engineering staff with illustrations for proposed design features and the marketing staff with web site support and graphics.

A competitive salary and benefits including health, ESOP, and 401(K) are offered.

To apply, please email resumes to our HR coordinator at kim@elrobinson.com with the subject line 'Landscape Architect Position' or apply online at: www.elrobinsonengineering.com/careers by December 1st, 2017.

E L Robinson Engineering is an Equal Opportunity Employer.
