CRAIG BERGMANN™
Landscape Design, Inc

MID-LEVEL LANDSCAPE ARCHITECT POSITION-LAKE FOREST, ILLINOIS

Craig Bergmann Landscape Design, Inc. has a mid-level landscape architect position available with an immediate start date. We are a small Landscape Architecture and construction firm that specializes in the design, installation and aftercare of landscapes for residential homes and estates. Projects range from estate master planning, woodland and prairie restorations, small urban rooftops, sculpture gardens, and renovation of historic gardens. Our office has recently started more commercial work with parks, golf course clubhouse plantings, and streetscape as municipal landscape architects.

This position requires proficiency with hand drafting and graphic techniques, AutoCAD, Adobe Creative Suite, Sketchup, and Microsoft Office including Outlook and Excel.

Preference will be given to applicants with design office experience and plant knowledge of Midwestern plants. We are known for our horticultural design skills on all projects and that is a signature component of our work. Outside work is required in all seasons of the year for surveying and installation assistance. This is a great opportunity for creative, highly motivated, outgoing individuals.

We offer a unique work environment and a training setup to allow designer to experience multiple aspects of our profession working with accredited landscape architects.

ADDITIONAL QUALIFICATIONS:

- Degree in Landscape Architecture or its equivalent preferred
- Previous work experience a plus
- Experience in site analysis
- Good organizational skills
- Valid Driver's License

Requested salary should be included with application.

Medical insurance and other employee benefits plan included.

Please email resumes including your salary history and compensation desired to eherrera@craigbergmann.com
