

**Job Title:** Entry Level Landscape Architect/Designer

**Experience:** 1+ Years

**City:** Ringwood

**State:** New Jersey

**Position Description and Responsibilities:**

Leading North Jersey residential landscape design/build firm looking to add to our team an entry-level landscape architect/designer with a fantastic personality. We are looking for someone with experience in landscape architect/design, AutoCAD, and SketchUp 3D. This is the perfect position for someone who is looking to work under a licensed landscape architect in order to obtain one's own license. The ideal candidate would possess:

- Background in landscape architecture or landscape design
- 1+ Years' experience designing 3D renderings in SketchUp
- 1+ Years' experience preparing landscape designs in AutoCAD or similar program
- Warm, passionate personality that will connect with a wide range of clients
- Desire to work under licensed landscape architect in order to get one's license
- Once enough experience is gained, candidate must have desire and willingness to prepare one's own designs

If you would like to join our team, please email a cover letter explaining why you think you would be a good fit for this position and your resume to [richsr@clcdesign](mailto:richsr@clcdesign). Subject line should read, "Entry-Level Landscape Designer."

No phone calls please.

CLC Landscape Design, Inc. is a family-owned and operated landscape architectural firm that specializes in residential design. With more than 44 years' of landscape design experience, we design, install and maintain landscapes that inspire, relax, and transcend. Known for our accomplished environmentally-conscious designs, as well as superior customer relation skills, CLC specializes in designing swimming pools. CLC Landscape Design serves clients in the tri-state area including Bergen, Essex, Morris, Passaic, Somerset and Rockland Counties.
