

Landscape Architect (Entry Level) | San Francisco

LandDesign is searching for a talented designer to join its growing San Francisco, CA office. We are looking for a creative, motivated, and hardworking designer with strong design, graphic and communication skills.

Requirements:

- Bachelor's or Master's Degree in Landscape Architecture or comparable field from an accredited university.
- Must demonstrate excellent writing and oral presentation skills
- Must be proficient in AutoCAD and Adobe Suite; SketchUp is a plus
- Ability to adjust to dynamic project priorities
- Strong Collaborator
- Strong design and critical thinking abilities
- Previous experience in a design firm is a plus

LandDesign offers award-winning urban design, planning, branding, civil engineering, and landscape architecture solutions to public and private sector clients across the globe. With offices across the United States, the LandDesign team effectively brings innovative, buildable, sustainable, and ecologically responsible projects to life worldwide. We appreciate great talent and great work.

Employees are offered a competitive compensation package, which includes a 401K retirement program and paid holidays, as well as health, life, dental, and disability insurances.

For full consideration, please submit your resume, cover letter and portfolio directly through our website: www.landdesign.com/careers

LandDesign is an EOE and a drug-free workplace.
