

## Us

RHAA is a 31-person landscape architecture firm with offices in Mill Valley and San Francisco. We are a team-based firm that values professional growth, work-life balance, and a friendly, open-office environment. Our projects include high profile urban spaces, parks and recreation, retail and civic centers, multi-family residential communities, campus planning and medical facilities, memorials, art programming, and green infrastructure.

## You

We are currently seeking a landscape designer with 1-4 years of experience, for an immediate, full-time position in our Mill Valley office. Candidates should be passionate about design and motivated to make an impactful difference in this profession. They should have interest in team-based, collaborative work, innovative and creative design ideas, strong organizational skills, and strong communication skills

## How you can help us

Designers at RHAA are involved from concept design through construction documentation. At various times, responsibilities will include:

- Assisting with the preparation of presentation graphics and materials
- Research and development of planting palettes
- Research of site materials, finishes and furnishings
- Support of project manager or principal in development of design concepts
- Project-specific administrative tasks as assigned
- Assisting other teams as required

Important software skills:  
AutoCAD (current)  
Sketchup  
Adobe Creative Suite  
Microsoft Office

Additional sought-after skills:  
Revit  
Rhino  
Irrigation design  
California plants

## How we can support you

Our benefits include a flexible work schedule, 401K, profit sharing, medical, dental and more. We also offer an educational fund that activates after a year of service. We support and encourage our professionals to seek and learn about themselves and the design world around us. A better you is a better us. See our website at [www.rhaa.com](http://www.rhaa.com).

## Reach out

To apply, please submit a resume, work samples and letter of interest in PDF format not exceeding 8 MB. Submit by email to: [job1@rhaa.com](mailto:job1@rhaa.com)

Please be permitted to work in the United States. We are currently not sponsoring H1B Visas.
