Senior Designer/Project Manager

Walnut Creek, CA 94596 (East Bay San Francisco)

About Us

Environmental Foresight, Inc. (EFI) is a professional consulting firm specializing in full-scope landscape architectural services for commercial and residential projects. Our project work ranges from public to private sectors including large-scale residential developments, schools, parks, civic/community facilities, commercial/retail space, model homes and private residential.

EFI is committed to mentoring creative and passionate individuals to advance both within our practice and in the field of Landscape Architecture. We emphasize a self-motivated office culture through collaboration, communication and celebration. Our firm values both individual and team growth while maintaining a life work balance.

Location

We are located in vibrant downtown Walnut Creek, California (East Bay San Francisco), easily accessible from I-680 at the interchange of I-680 and Hwy. 24. In addition, BART (Bay Area Rapid Transit) and bus service are within walking distance, as well as over 200 restaurants and shops (www.walnutcreekdowntown.com).

Employment Opportunities

EFI is currently seeking a full-time Senior Designer/Project Manager position for an individual with a passion to design outdoor spaces with 5-10+ years of professional experience. We are looking for an experienced landscape architect candidate to lead design and manage/direct preliminary design through construction administration phases of the design process for multi-disciplinary commercial and high-end residential projects.

Required Skills

Candidate to be experienced in designing with California adapted plant material and shall be licensed as a California State Landscape Architect. Proficiency in AutoCAD, MS Office, and Adobe Creative Cloud (Photoshop, Acrobat DC, InDesign and Illustrator) are required.

To Apply

Email cover letter, resume, and select portfolio samples in Acrobat PDF formats to info@environmentalforesight.com Please no telephone inquiries or hardcopy mailings.

Compensation will commensurate with level of experience. Selected candidates must provide proof of authorization to legally work in the United States. EFI is unable to sponsor work permits or visas.
