

## Employment Opportunity

San Diego, California

- **Position**

Landscape Architecture Intern and/or Associate Project Manager

- **Job Description**

Are you ambitious? Good design skills? Good computer and hand graphics? Design your own career. Howard Associates – a mid-size, 25-year old firm – currently has a position open for an entry to mid-level team member who is looking for an opportunity for unlimited growth. This position requires:

- Degree in Landscape Architecture
- One to five years of experience
- Energy and enthusiasm
- Excellent Autocad, design, and construction documentation skills
- Irrigation design skills and California plant knowledge are a plus

Exceptional applicants without experience may be considered.

Your position will involve developing designs and construction documents for a variety of projects, plus training for a project management position.

We offer an intense studio environment, with a wide range of projects including master planned communities, urban infill and multi-family housing, commercial centers, subdivisions, custom residences, parks, churches and hotels. We offer an exceptional salary and bonus package, full benefits and retirement plan, a fun, energetic work environment and an opportunity to grow and help us grow. We look forward to hearing from you. Howard Associates is an equal opportunity employer.
