

Landscape Architects | Urban Designers | Planners

FULL-TIME ENTRY-LEVEL LANDSCAPE DESIGNER

We are looking for a landscape designer with 1-2 years' work experience to join our friendly, collaborative, and dedicated team in sunny offices in Lower Manhattan. You would work with other members of the team on all phases of projects ranging from master plans, parks and playgrounds, residences, and streetscapes.

SKILLS/EXPERIENCE

- At least 1 year of relevant office experience is required.
- Applicant must have very strong CAD, graphics, and 3D modeling skills, and proficiency with AutoCAD, Sketchup, Rhino, GIS, Adobe CS (primarily Illustrator, In-Design, and Photoshop) and Microsoft Office applications.
- Excellent verbal and written communication skills required.

EDUCATION

- Bachelor's or Master's degree in landscape architecture preferred.
- Candidates with an architecture degree, whose portfolio exhibits experience and understanding of landscape design, may be considered.

HOW TO APPLY

Applicants shall email the following items in PDF format to: info@qrpartners.com.

- cover letter with salary requirement.
- resume, including software proficiencies.
- portfolio, including technical construction document drawings, renderings and illustrative design drawings.

Total of attachments should not exceed 10MB. A link to a portfolio website is acceptable in lieu of PDF. Please, no phone calls.
